

Special Support Menu for Hybrid Conferences

We can offer a special support menu for hybrid conferences along with our “Subsidy Program” when conventions or conferences are held in Kitakyushu.

- * You can not apply only for this special support menu.
- * This menu can be used in conjunction with the Special Support Menu for Infectious Diseases Control.

A “Hybrid Conference” refers to a conference held both physically and online.

Subsidy Up to
200,000
JPY

Applicable conditions

- 1 The “Subsidy Program for Convention Organizers” must be obtained first.
- 2 The conference will be held both physically and online.

Applicable period

April 1,2021 – March 31,2024

(Conventions or conferences are required to be held within the period above to apply for this special support menu.)

Eligible Cost (e.g.)

- Cost of equipment rental and communication lines for online distribution.
- System usage fees and labor costs for online distribution
- Outsourcing costs for online distribution...etc.
